ODUM FACULTY SPEED TALKS

TAKAO SASAKI
ALEX STRAUSS
CHARLES VAN REES

5
SEP

SPENCER GALEN

University of Scranton
Biology Department
Assistant Professor

12
SEP

Evolutionary Ecology /
Biogeography

Infectious Disease
Ecology

Specimen-based
Research

ARIAL SHOGREN

University of Alabama
Department of Biological Sciences
Assistant Professor

26
SEP

MICHAEL SMITH

Auburn University
Department of Biological Sciences
Assistant Professor

3
OCT

Nest Architecture

Collective Behavior

Superorganism

Social Insects

JASON FRIDLEY

Clemson University
Department of Biological Sciences
Professor

10
OCT

SHUO CHEN

University of Georgia
Odum School of Ecology
Visiting Scholar

17
OCT

Forest Ecology

Plant Invasions

Functional Strategies

BEN SADD

Illinois State University
School of Biological Sciences
Associate Professor

24
OCT

Life-history
Investment

Host-microbe
Interactions

Ecological
Immunity
